7.2.1: Two Best Practices Successfully Implemented by the Institution

Title of the Practice -1	WBS- World Beyond College
Objectives of the Practice	<ol style="list-style-type: none"> 1. To achieve all round development of students 2. To Make them aware about various social issues 3. To make college students, responsible citizens 4. To develop moral and ethical values among students 5. To encourage pluralistic attitude among students
The Context.	<p>The term WBC is generally used in science for White Blood Cells which act as protection mechanism for human body. Following the same pattern, College focus on overall development of its students through arranging co-curricular and extra-curricular activities in campus and out campus. Through such activities college strive for providing first-hand information other than their academic syllabus.</p>
The Practice	<p>College organize various activities and programme through many cells and units. NSS unit conduct environmental related programme in order to generate awareness. Other program like Aids Awareness, Gender Sensitivity, Electoral literacy etc. are arranged to provide beyond syllabus knowledge to our students</p>
Evidence of Success	<p>College has successfully conducted various programme and active participation students is obtained. Even with limited number of students college has continuously arranged these activities without discontinuation.</p>
Problems Encountered and Resources required	<p>Institution operated on un-aided form face acute problem of both financial and other resources.</p>

Title of the Practice -2	Consistent Efforts for Positive Gender Ratio
Objectives of the Practice	<ol style="list-style-type: none"> 1. To maintain Positive gender ratio in the institution 2. To encourage more admission of girl students 3. To develop sense of safety and security in the minds of female students and staff. 4. To develop better gender sensitivity among students. 5. To encourage pluralistic attitude among students
The Context.	College impart higher education facility to both male and female students. In order to develop a sense of respect with opposite gender college purposefully arrange various programme related to gender sensitization. Active participation of both male and female students is ensured for every single programme.
The Practice	College appoint female teachers to maintain gender equality at teaching level itself. College also provide all required facilities to their female students and teachers. CCTV camera extend 24 X 7 surveillance in college campus.
Evidence of Success	Active participation of girl students can be noticed in almost all activities arranged by college. Proportion of female teacher in the academic year 2024-25 is greater than male teacher.
Problems Encountered and Resources required	College run in urban area where parent rarely allow female students to participate in out campus activities.
